

Phase 3 Reopening

MICC Communicable Disease Prevention Plan

- 1) MICC will monitor communicable disease related information from our regional health officer and/or provincial health officers and adjust our safety plan accordingly
- 2) Signage and hand hygiene supplies will be available on site
- 3) MICC will continue to maintain a clean environment through routine cleaning processes.
- 4) Visitors to the Community Centre: please continue to use sanitizers, wash hands, cough away from people or into a sleeve, and spot clean high touch areas. If you don't feel well, please stay at home.

Mask guidance

Masks are recommended in public indoor settings for all people 12 and older who are not yet **fully vaccinated**. The [mask mandate order](#) under the Emergency Program Act will be lifted July 1 and no proof of vaccination will be needed.

- You're fully vaccinated 14 days after [dose 2](#)
- Some people may choose to continue to wear a mask after they're fully vaccinated and that's okay
